The headline voting intention figures for this week's poll are as follows: **LAB 34% (-3%), CON 33% (+2%), UKIP 16% (NC), LD 8% (NC), GRN 4% (NC).**

Almost a third (31%) of likely voters say they may change their mind between now and May 7th.

57% say they will either definitely or probably watch tonight's Challengers debate.

When we asked potential viewers about the five leaders taking part, Farage was just behind Miliband and Sturgeon as strongest leader and most likely to win the debate but again seen as the most charismatic and having the best sense of humour - as well as the most annoying. Miliband was clearly seen as most in favour of a more equal society. Full results in the tables.
